# Advance Care Planning (ACP) Workshop

Get your living will and power of attorney for  
health care legally documented....for *free*

**When** Call 828-251-6140 or Google “OLLI ACP” for date; workshops scheduled every 4 months

**Where** Reuter Center, home of the Osher Lifelong Learning Institute (OLLI),  
UNC Asheville (NE uphill from Sherrill Center basketball arena)

**What** A two hour workshop sponsored by OLLI where you can complete and get  
notarized your NC ACP “Short Form”

## Workshop activities

Panel presentation and discussion by attorney, medical ethicist, geriatrician,  
and other health professionals (60 minutes)

Time to complete/notarize NC ACP “Short Form” with one-on-one assistance  
from panelists and other health care professionals (40 minutes)

Opportunity to choose to have your signed directives (only) added to the Mission  
Hospital Medical Record to be shared with providers statewide when needed

## Preparation for you to do before the workshop

Check the OLLI ACP website. Talk to your possible “power of attorney for health care,” the person  
who would make health care decisions if you are unable. If you have internet access, print the NC  
Short Form and the Advance Directives Permission Form from the OLLI website, study them, write  
down questions you may have for the panel, and bring the forms to the workshop.
